Industrial Visit

Imperative Business Venture Pvt Ltd

Students from the Department of Computer Engineering, the Department of Information Technology, the Department of CSE AIML, and the Department of CSE Data Science visited Imperative Business Venture Pvt Ltd. as a part of their industrial visit. The company is located in the heart of the city and specializes in the domain of Fintech, software development, and IT services.

The students were welcomed by Dr. Sachin Paithankar. The imperative team also gave a brief overview of the company's history, mission, and values to students. The students were then divided into smaller groups and were given a tour of the different departments. They were able to interact with employees from various departments, including software development, quality assurance, and project management. Students benefited greatly from discussions about several AI models with Ms. Kiran Roy, the AI Engineering Analyst at Imperative.

The students had the opportunity to observe the company's agile development methodology in action, which emphasizes flexibility, collaboration, and continuous improvement. They also saw how the company uses various tools and technologies to streamline its development process and ensure quality output in discussions with Mr. Shivdas Nair.

The students were particularly impressed by the company's emphasis on employee well-being and work-life balance. They were able to see first-hand how the company fosters a positive work culture through various employee engagement programs and initiatives.

Overall, the industrial visit was a valuable learning experience for the students. They were able to gain insights into the real-world application of the concepts they learned in their coursework and see how a successful IT company operates. The visit provided them with an opportunity to ask questions and interact with industry professionals, which will help them make important decisions about their future careers.

On the 4th March 2024, the 11th March 2024, the 17th March, and the 23rd March 2024, four batches of 50 students each visited the offices of Imperative Business Venture Pvt Ltd for an industrial visit.
