

## FREE GATE Coaching @ APSIT

The Graduate Aptitude Test in Engineering (GATE), is an All-India examination administered and conducted in eight zones across the country by the IIT's. It primarily tests the comprehensive understanding of various undergraduate subjects in engineering and science. The GATE score of a candidate reflects the relative performance level of a candidate. This entrance exam is to get admission in M. Tech/MS in IISc /IITs / NITs and other Universities. Also, for applying in top PSUs which offer lucrative jobs, perusing career in Research & Development, for technical value addition, expertise in subject/domain specialization.

From the beginning of the second year students will be provided exclusive training by experts which will be conducted in college campus once a week after or before Academic sessions & even on Saturday or Sunday. This helps student to maintain a balance between GATE studies as well as their academics. Coaching from experts help students gain adequate knowledge, tips and tricks which ensures good results and also better future opportunities. GATE sessions are conducted from semester 3 to semester 6.
