Training Program

on

NVIDIA Deep Learning

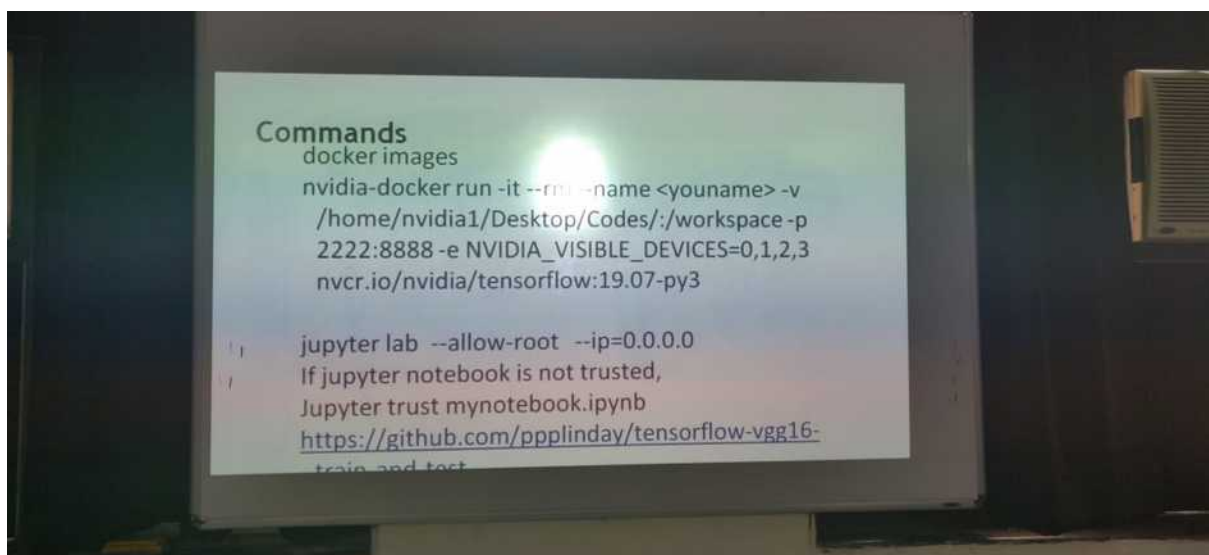

Report

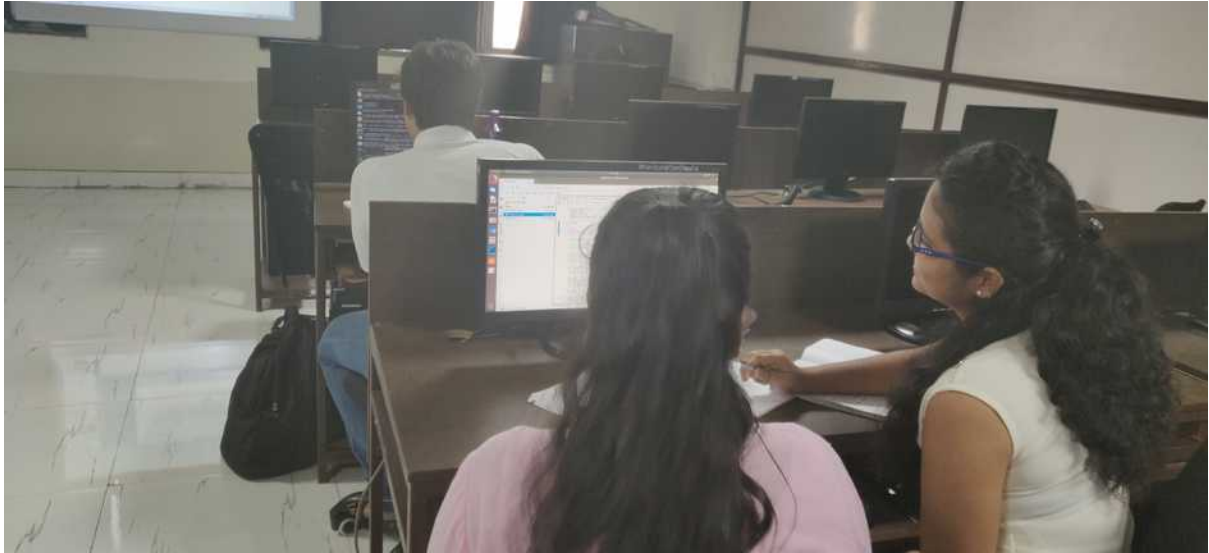

Training program on "NVIDIA Deep Learning" was scheduled on 30/08/2019 in lab 311. Mr. Sarthak Garg from Micropoint computers Pvt. Ltd conducted the training program.

8 students of final year of APSIT belonging to Department of Computer Engineering participated in the course.

Following contents were covered during the program:

- CPU vs GPU
- Anatomy of neural networks
- Processing Flow
- NGC/NVIDIA Docker-
- Hands on Linear Regression
- Hands on XGBOOST- Ensemble learning

Prof. Jaya Gupta
Faculty Coordinator

Prof. Sachin Malave
Head of Department of Computer Engineering
