

REDHAT ACADEMY

at

A.P. SHAH INSTITUTE OF TECHNOLOGY

REDHAT is the world's leading provider of open source solutions, using a community-powered approach to provide reliable and high-performing cloud, virtualization, storage, Linux and middleware technologies. Red Hat Academy turns academic institutions into centres for enterprise-ready talent by outfitting them with Red Hat Training.

Red Hat Academy's web-deployed and web-managed curriculum, with local hands-on labs, helps create proven competencies through performance-based learning and testing.

Red Hat Academy provides a curriculum to help education institutions keep pace with the demands of industry. The curriculum involves hands-on instruction across platform, middleware, and cloud technologies built with input from Red Hat development, support, and field consulting teams. Red Hat's curriculum is based on Red Hat Enterprise Linux, the leading enterprise Linux platform.

The importance of Linux in the IT market is growing rapidly, so the Red Hat Academy program enhances career prospects for graduates. With the rapid growth of Linux, Red Hat Academy program provides a high-quality training curriculum which equips students with the skills needed to be work ready.
