Description :

**About Program:** Electronics and Telecommunication department organised training on **Java Programming**, under PBL for Second Year students. Mr. Ram Kumar, JNIT Solutions, Hyderabad was invited as a resource person from industry.

First day Program started with installation of java, Eclipse and SQL. The expert covered all the topics under programming from basic to difficult level. The topics covered were CORE JAVA Content, OOPS Concepts , Packages and imports, Constructors , java API, Static, Final Keyword Interfaces and Loose coupling Abstract Classes , Exception Handling Collections and Generics JDBC.

On the last day, Students were assigned different projects in group of students. Discussion on project topic and steps was done by individual group.
