(Approved by AICTE New Delhi & Govt. of Maharashtra, Affiliated to University of Mumbai)  
(Religious Jain Minority)

The Department of Civil Engineering organized Value Added Programme (VAP) for the Third Year students on “**Analysis of beams and frames using STAAD.Pro**”. The training programme was attended by 24 Nos. of Civil Engg. Department.

**Date:** 20<sup>th</sup> June 2018- 23<sup>rd</sup> June 2018.

**Time:** 10:00 a.m - 04:00 p.m

**Venue:** Lab 408 , APSIT

**Participants:** 24 students.

**Trainer :**           **Prof.Umesh Vazurkar.**  
                          **Prof.Preeti Kalburgi.**  
                          **Prof.Vishal Misal .**

**Resource Person : Prof.Raksha S.Khandare.**

**Organized by:** Department of Civil Engineering, APSIT.

The VAP made students aware about analysis of structural members for different load conditions, supports and material properties. The validation of results was carried out. The session ended with feedback from students and group photograph. Few photographs are attached to get a glimpse of the event.
