VISIT REPORT OF (BE) Department of Civil engineering

- **Name of the site:** MODEL ROOM OF COLLEGE OF MILITARY ENGINEERING, PUNE.
- **Date:** 12th OCTOBER 2018
- **Time:** 10:00 am to 12:00 pm
- **No. of Students:** 56
- **Staff Members:**
 1. Prof. SURYAWANSHI V.K
 2. Prof. KALBURGI.P.S
 3. Prof .MISAL V.M.
 4. Prof. VAZURKAR .U.V
- **Visit Details:**

COLLEGE OF MILITARY ENGINEERING

- CME is a premier technical and tactical training institution of the Indian army corps of engineering of the Indian army.

Here students studied the models of all engineering related subjects.

- 1) Students studied structural models like reinforcement of column, beam, footing, slab, and staircases.
- 2) Students studied models related to transportation engineering, highway engineering, Building material and concrete technology related models, Environmental Engineering and different types of arches, bonds, doors, windows.

- 3) Students got practical knowledge and Civil Engineering applications of the subjects they studied in theory.
