Speaker: -

1. Dr. Shriganesh Yadav, Assistant Professor , Department of Humanities and Applied Science, APSIT

Faculty Accompanied: -

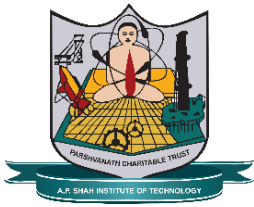

Prof Sonal Jain, Assistant Professor, Department of Information Technology, APSIT

Aim of webinar: -

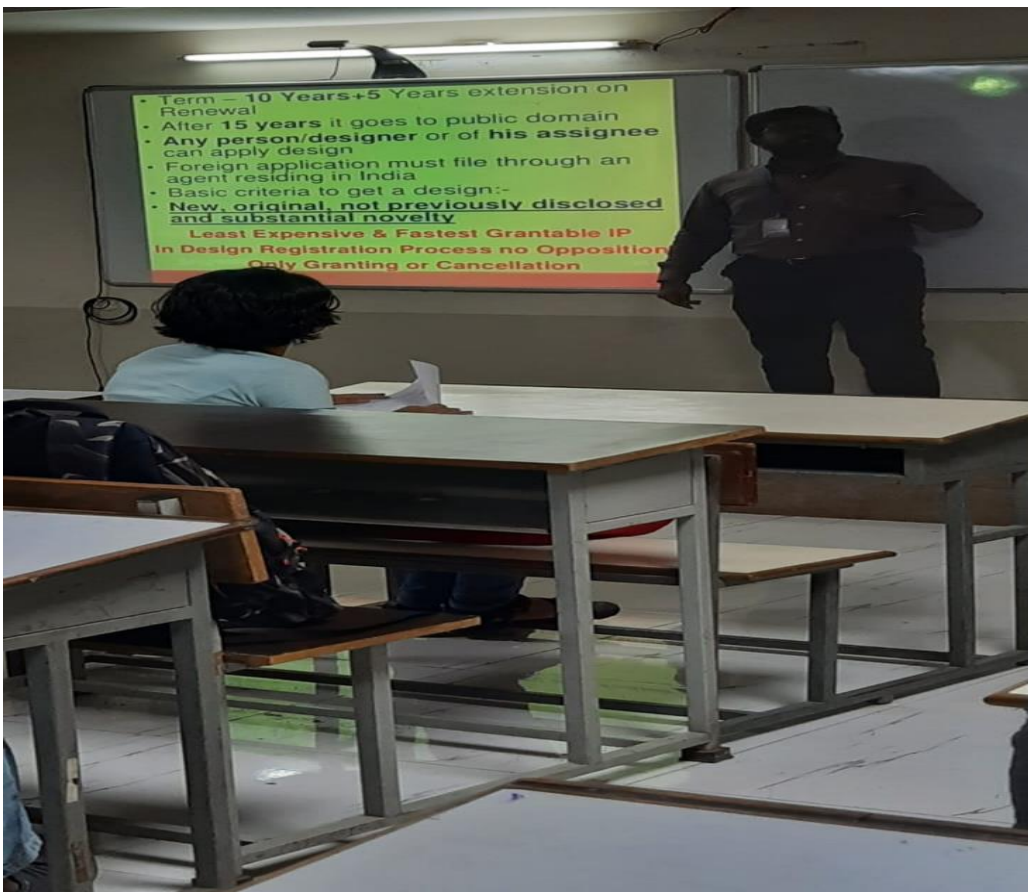

This webinar aimed at motivating student regarding intellectual property and its role in gaining advantage position to promote economic growth of our nation. Webinar was focused on basic guidelines to be followed for having knowledge about patents, copyrights, trademark . This also helped third year students to have a good understanding about intellectual property. Dr. Yadav illustrated various examples to give the basic understanding of procedure for application of patents and various slips of granting of patents. Webinar also included a talk on valuable help and support that can be given to students by the institute.

This Workshop was highly informative to students, faculties and research scholars and provided valuable awareness and insight on the various aspects of IPR.
