

DEPARTMENT OF CIVIL ENGINEERING

Report of
One Day On-line Workshop
on
“Opportunities in Civil Engineering and Selecting the Career Path”
On July 20,2020

| | |
|------------------------------------|---|
| VENUE | On-line platform |
| DATE: | July 20, 2020 |
| AUDIENC E | Third Year and Final Year Students pursuing Civil Engineering(AY 2020-21) |
| ORGANISED BY | Organized by the Department of Civil Engineering under continuous teaching learning process. |
| EXPERT SPEAKER | 1) Dr. K. K. Sundaram Ex. Scientist, DRDO. 2) Er. Yuvraj R. Patil Deputy Chief Operations Manager/Survey Central Railway 3) Er. Ratnakar Choudhari Motivational Speaker |
| TOTAL STUDENTS ATTENDED | 225 |

The workshop is organized for the third and final year students(AY 2020-21) of APSIT. The Training and placement cell of APSIT constantly guides the students for selecting the right career path. On the similar lines the Department of Civil Engineering organized the workshop to guide students select their area of interest and opportunities in their way ahead.

OBJECTIVES OF WORKSHOP

- 1) To educate students about personal career development
- 2) To direct students to make good career choices based on personal strengths, values, interests and abilities
- 3) Introduction to the “World of Work”

The workshop focused on the following points

- Innovation ,startups and entrepreneurship

- Preparing for competitive exams.
- Career opportunities in civil engineering post Covid 19 and factors affecting the selection of career.

All the focussed points were covered in a systematic manner and at the end of the lecture, the expert shared some of their experiences and live examples with students. The workshop ended with question and answer session and vote of thanks.

ABOUT APSIT
A. P. Shah Institute of Technology (APSIT), Thane is a self-financed AICTE approved engineering college with all courses accredited by the **National Board of Accreditation (NBA)**. It was established in the year 2014 under the aegis of Parshvanath Charitable Trust. The institute offers Under Graduate course in Civil Engineering, Computer Engineering, Information Technology, Electronics and Telecommunication Engineering and Mechanical Engineering. (APSIT) has started functioning with commitment of imparting state of art technical education so as to inculcate conceptual knowhow, analyzing skills, decision making abilities and leadership qualities in the students. APSIT stands committed for the holistic growth of every student.

DEPARTMENT OF CIVIL ENGINEERING
The Department of Civil Engineering was established in 2015-16 offering B.E program. **The department got NBA accredited in the year 2020.** The state-of -the-art facilities and advanced computational resources are available in the department, for integrating education and research. The department has experienced and highly qualified faculty members to provide an excellent environment for academic and research. The laboratories are equipped with modern equipment and classrooms are provided with smart class facility. The department offers numerous Value Addition Programs as a part of Institute Project Based Learning Initiative which are designed to bridge the gap between academia and industry.

DEPARTMENT VISION
"Civil Engineering department strives to produce globally adaptive professionals to ensure sustainable growth of society"

ABOUT WORKSHOP
The workshop is organized for the third and final year students of APSIT. The Training and placement cell of APSIT constantly guides the students for selecting the right career path. On the similar lines the Department of Civil Engineering is organizing the workshop to guide students select their area of interest and opportunities in their way ahead.

OBJECTIVES OF WORKSHOP

- 1) To educate students about personal career development
- 2) To direct students to make good career choices based on personal strengths, values, interests and abilities
- 3) Introduction to the "World of Work"

ELIGIBILITY
All Civil Engineering students of Third Year & Final Year from APSIT
Workshop Date: July 20, 2020.

E-certificate will be issued to the participants subject to complete attendance and submission of online feedback at the end of each day.

EMINENT SPEAKERS

- 1) **Dr. K. K. Sundaram**
Ex. Scientist, DRDO.
- 2) **Er. Yuvraj R. Patil**
Deputy Chief Operations
Manager/Survey
Central Railway
- 3) **Er. Ratnakar Choudhari**
Motivational Speaker
