<b>AUDIENC E</b>	Third Year &Final Year Students pursuing Civil Engineering (AY 2022-23)
<b>ORGANISED BY</b>	Organized by <b>the Department of Civil Engineering</b> under continuous teaching learning process.
<b>EXPERT SPEAKER</b>	Er.Nikhil Dhumal ( Alumni 2021-22)

**TOTAL STUDENTS  
ATTENDED**            110

The is organized for the Third year and Final students (AY 2022-23) of APSIT. The Training and placement cell of APSIT constantly guides the students for selecting the right career path. On the similar lines the Department of Civil Engineering organized the talk to guide students preparing for Masters Abroad.

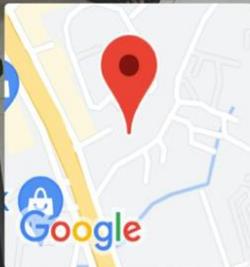

The session was delivered by our Alumni Er.Nikhil Dhumal .He guided students on the following lines .

- 1) Various areas available for Masters Abroad.
- 2) Different Universities and domains available .
- 3) Procedure to apply for MS
- 4) Prerequisites for the same

All the focussed points were covered in a systematic manner and session ended with question and answer session.
