12

The is organized for the Third year and Final students (AY 2022-23) of APSIT. The Training and placement cell of APSIT constantly guides the students for selecting the right career path. On the similar lines the Department of Civil Engineering organized the interaction session of alumni with students of department to guide students preparing for Masters Abroad (more specific in USA). The session was delivered by our Alumni Er.Madhur Khade .He guided students on the following lines .

- 1) Why Ms In Us?
- 2) Amazing Career Opportunities
- 3) Better Standard Of Living.
- 4) Financial Independence
- 5) Best Educational Institutions
- 6) Different Majors For MS Degree
- 7) Construction Careers In USA
- 8) Things To Do Before Leaving For USA
- 9) Things To Do After You Arrive In The USA
- 10) Challenges Faced By International Students

All the focussed points were covered in a systematic manner and session ended with question and answer session.
