Department of Computer Engineering
Industry Internship Summary

The number of student internships has significantly increased over the last few years. Students completed the internships through Eduskills internship programme approved by AICTE. Internships done through EduSkills enables to fill the gap between academia and industry by providing industry-oriented curriculum access to the students by following ICT based approach that provides employment and entrepreneurship opportunities. Their domains include cloud, networking, AI ML, data analytics. Their lectures are delivered to students in virtual environment.

Table I: Industry Internship Summary

| INTERNSHIP STATISTICS	
ACADEMIC YEAR	COUNT
2020-2021	45
2021-2022	281
2022-2023 (ongoing)	376

Figure I: Industry Internship Statistics

The number of students internships has increased significantly through Eduskill internship programme in academic years 2019-2020, 2020-2021,2021-2022,2022-2023.
