ICC and WDC displayed posters and the members discussed with their respective departments for creating awareness about sexual harassment of women at workplace. The posters have been displayed at prominently located notice boards on all floors of our institute. Every department had an awareness session during this pakhwada to make them aware about the provisions about the Sexual Harassment at Workplace Act 2013. The posters and the event photos as attached with this report.

It is rightly said by someone that there is no limit to what we as women can accomplish and to honor the quote we, the Women's Development Cell (WDC) and Internal Complaint Committee (ICC) at A.P.Shah Institute of Technology, held a workshop on "**Self-Defense**" to protect and empower the female students of our college. This workshop was held on 9th March 2023 in light with International Women's Day as a part of celebration. The workshop was attended by around 120 girls and students
