

Event: Navigating through Tensors, ANN and CNN

Name of College: - A. P Shah Institute of Technology, Kasarvadavli,
Ghodbunder Road, Thane (Maharashtra)

Club: - AI-ML Club

Date: - 14/01/2023

Participants: - 27

Targeted Audience: AIML Club Learners

Speaker: -

1. Mr. Aditya Bhosle
2. Mr. Somesh Fendge

Faculty Accompanied: -

1. Dr. Jaya Gupta HOD of AI-ML dept, faculty in-charge of AI-ML club
2. Prof. Anagha Aher HOD of DS dept, faculty in-charge of AI-ML club

Introduction:

On January 14, 2023, Mr. Aditya Bhosle and Mr. Somesh Fendge introduced everyone to fundamentals of deep learning and delivered an in-depth presentation on the architecture of Artificial Neural Networks (ANN) and Convolutional Neural Networks (CNN).

Discussion:

The main objective of the session was to help the participants gain a solid understanding of these emerging technologies and their practical applications. The training also included a code to classify cats and dogs, which helped to reinforce the concepts discussed. Overall, the session was a great success, and the participants found it to be both engaging and informative.

Conclusion:

The event was concluded by expressing gratitude to Mr. Aditya Bhosle and Mr. Somesh Fendge for leading this insightful session.
