Time : 10.00am to 12.30pm
Number of Participants : 81
Resource Person Details : Ms. Anita Shreyakar
Head – BFSI, India and SAARC

Event Description:

Women's Development cell (WDC) and Internal Complaints Committee (ICC) in collaboration with Institutions Innovation Cell (IIC) organized a seminar on opportunities for women in cybersecurity coordinated by department of CSE(AI&ML). In today's interconnected world, cybersecurity has become a paramount concern for individuals, businesses, and governments alike. With the proliferation of digital technologies, the threat landscape is continuously evolving, presenting both challenges and opportunities. This seminar aimed to delve into the myriad opportunities that exist within the realm of cybersecurity, ranging from career prospects to entrepreneurial ventures and beyond. By understanding the current landscape and emerging trends, participants gained valuable insights into how they can contribute to this critical field and capitalize on the growing demand for cybersecurity expertise.
