Name of College: A. P. Shah Institute of Technology, Kasarvadavali, G.B Road, Thane- 400615, Maharashtra

Association: AIML Student Association

Date: 04/02/2025

Time: 09.00 AM

Target Audience: S.E. and T.E. students from CSE: AI & ML department

Faculty Accompanied:

1. Prof. Vijesh Nair and Prof. Shubham-

   Prof. Vijesh and Prof. Shubham with their expertise and knowledge were able to guide the association in taking a session of Placement Diaries that is well acknowledged by the students.

Introduction:

The AIML Student Association successfully conducted an insightful and engaging session featuring Shlok Dalvi and Sanjita Shetty, two outstanding students from the Artificial Intelligence & Machine Learning (AIML) department who shared their experiences and strategies that led to their successful placements in top companies.

Event Details:

The session aimed to provide valuable guidance to aspiring students by shedding light on industry expectations, interview preparation strategies, and key skills that helped Shlok and Sanjita stand out in the recruitment process.

The session was highly informative and motivational, leaving students with a clear roadmap to enhance their employability. The AIML Student Association expressed gratitude to Shlok Dalvi and Sanjita Shetty for taking the time to share their journey, inspiring their juniors to aim higher and strive for excellence.

Event Winners:

This event was not a competition and so there were no winners.

Conclusion:

This session marked another successful initiative by AIML Student Association in bridging the gap between students and industry readiness, reinforcing the importance of continuous learning and perseverance in the ever-evolving field of Artificial Intelligence & Machine Learning.
