APSIT DEVOPS CLUB

## **Expert Session: Devtalk and Problem Statement Reveal**

**Name of College:** A. P. Shah Institute of Technology, Kasarvadavali, Ghodbunder Road, Thane – 400615

**Department:**

**Date:** 23/01/2026

**Participants:** 24 teams (96 students)

**Speaker Detail:** -**Mr. Shantanu Kaushik** (Founder & Director – RigelX Infotech Pvt. Ltd.)

Mr. Shantanu Kaushik is a seasoned technology entrepreneur and industry professional with extensive experience in building scalable digital solutions and guiding young talent. As the Founder and Director of RigelX Infotech Pvt. Ltd., he has led multiple projects across domains, focusing on innovation, automation, and industry-grade software practices.

With a strong foundation in real-world engineering and business leadership, he brings a practical perspective on how technology, discipline, and adaptability shape successful careers. His journey from early challenges to establishing a growing tech enterprise—serves as a powerful example for students aspiring to enter the industry.

### **Faculty Accompanied:**

1. Prof. Vishal Badgujar
2. Prof. Sonal Jain
3. Prof. Sujata Oak

### **Aim of Event:**

The primary aim of the DevTalk & Problem Statement Reveal was to bridge the gap between academic learning and real-world industry expectations by introducing students to the practical mindset of DevOps and modern technology workflows.

### **Event Overview:**
