

PARSHVANATH CHARITABLE TRUST'S A. P. SHAH INSTITUTE OF TECHNOLOGY

Pre-Placement Training

A successful Pre-Placement Training Program was conducted to enhance students' aptitude skills essential for campus recruitment. The program focused on strengthening quantitative aptitude, logical reasoning, and data interpretation abilities, with emphasis on analytical thinking, speed, accuracy, systematic problem-solving, and effective time management. Comprehensive coverage of key aptitude and reasoning topics helped students build a strong foundation and improve their performance in competitive examinations.
