Objective:	To inspire innovation, leadership, and entrepreneurial thinking among students through an interactive session that bridges academic learning with real-world startup experiences.
PO Mapping	PO2, PO3, PO9, PO10, PO11, PO12

The Computer Student Association (CSA) in collaboration with E-Cell APSIT organized an insightful and interactive session titled “Sankalp: The Entrepreneur’s Leap” on 15th September 2025 at the Seminar Hall (008).

The event aimed to inspire innovation and entrepreneurial thinking among students by providing real-world insights into startup journeys, idea incubation, and the challenges faced by budding entrepreneurs. The session featured Mr. Aryan Kumar as the guest speaker, who shared his experiences and practical advice on building, sustaining, and scaling ventures in the competitive startup ecosystem.

The session was hosted by Krishiva Dhiman from CSA and Charvi Kashyap from E-Cell, who kept the audience engaged with their lively interaction and smooth flow of discussion. Mr. Kumar’s talk highlighted key aspects such as problem identification, team building, funding strategies, and maintaining resilience during setbacks. His real-life anecdotes resonated deeply with the students, sparking curiosity and motivation.

An interactive Q&A session followed, where students actively participated by asking questions about startup culture, balancing academics with entrepreneurship, and turning ideas into reality. The discussion encouraged creative thinking and leadership among participants.

The event concluded with a heartfelt vote of thanks to the speaker and organizers for delivering a session that truly embodied the spirit of Sankalp — taking the first leap towards innovation and self-driven growth.

Overall, Sankalp: The Entrepreneur's Leap proved to be an inspiring and knowledge-enriching experience, motivating students to explore their potential as future innovators and entrepreneurs.

A panel discussion in progress, with speakers sharing insights and engaging in an interactive conversation on stage.
