Department Event Coordinator:	Prof. Rushikesh Nikam
Event Conducted by:	Computer Student Association, Department of Computer Engineering
Objective:	To help students to improve their linkedin profile.
PO Mapping	PO5, PO9, PO10, PO12

Details:

Linked Seminar was led by Om Bhojane, aimed to help participants enhance their LinkedIn profiles, connect with the right professionals, and use the platform effectively for career advancement. A session on LinkedIn Premium was included, where the speaker explained how its tools can provide insights and expanded connection possibilities for job seekers and business professionals.

The speaker concluded with a segment on personal branding, advising attendees on how to use LinkedIn to communicate their unique value proposition to potential employers, clients, and partners.

The workshop was interactive, with participants encouraged to ask questions throughout the session. They conducted a live demonstration on profile optimization, and attendees were given time to revise their LinkedIn profiles with real-time feedback from the speaker.
