Date: - 16/09/2026

Targeted Audience: Students of Information Technology Department

Speaker Details: -

Anagha Sanaye, Manager, VEGA

Faculty accompanied:

1. Prof. Sujata A. Oak
2. Prof. Sachin Kasare
3. Prof. Anupama Singh

Aim of the Event –

- To bridge the gap between classroom learning and modern industry practices through immersive technical experiences.
- To provide students with firsthand exposure to professional audio-visual (AV) technologies, digital communication solutions, and smart automation systems.
- To enable students to interact with industry professionals, gain insights into career paths, internships, and job opportunities in the growing AV and technology sectors.

3. Key Learnings & Technical Exploration

- **Professional Display & Visual Technologies:** Explored high-end LED displays, video walls, and immersive visual systems.
- **Advanced Audio & Communication Solutions:** Witnessed live demonstrations of

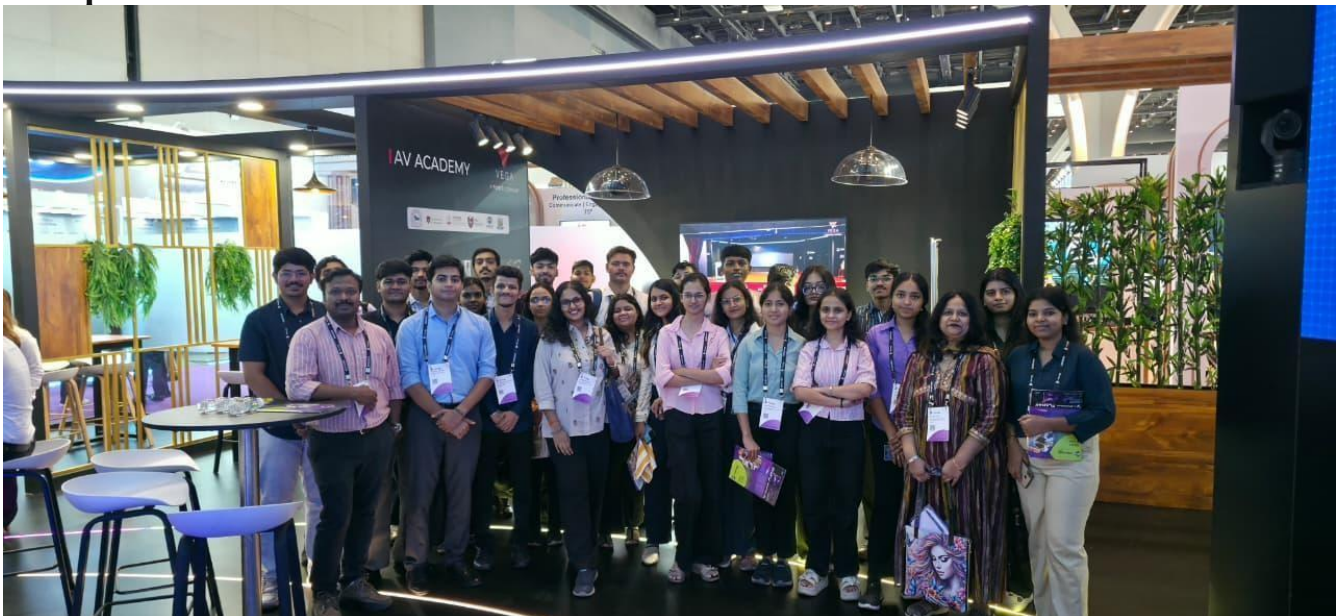

professional audio systems and modern enterprise-grade video conferencing and collaboration setups.

- **Smart Automation & Connected Systems:** Observed real-world system design, integration workflows, and emerging digital technologies.
- **Corporate & Industry Exposure:** Gained a deeper understanding of professional etiquette, corporate communication skills, and industry expectations firsthand.

4. Conclusion

The industrial visit to InfoComm India 2026 and VEGA -A FORTÉ Company, proved to be an inspiring and invaluable experience. It successfully broadened the students' perspectives on emerging technologies, equipping them with practical industry insights to better prepare for their future careers.
